

The Field Signs 2010 Nationals were held during the weekend of the 6th & 7th of Feb in very light, and sometimes frustrating conditions. Both days saw some extremely close racing with 5 of the 7 boats posting wins in individual races, and the 3 top boats on equal points going into the final race. The final count saw Leigh Miller and his crew on Mumbo Jumbo in 1st place, with Nathan Bonney in Quarter Pint 2nd, and Brad Davies in Overdraft 3rd.

Brad in Overdraft, took out the handicap series from Gareth Butcher in Entree finishing a very creditable 2nd, having largely sailed the series 2 handed, their 3rd crew member falling ill in what was described as "a bout of Mexican food poisoning". In third place was Damon McLachlan in The source.
